Guide for authors

Papers should be prepared in Word doc format, the page layout is ISO B5, with 2.5 cm margins all around, the font should be Cambria, single-spaced and justified. The font size is 9,5 pt, except the Summary, Acknowledgments and References, where it is 8 pt. The first-line indentation should be 0.5 cm.

For other formatting issues, please follow the formatting of papers in the last volume of Pisces Hungarici.

Please submit the manuscript to the editor of Pisces Hungarici (Ákos Harka: harkaa2@gmail.com) as an attached doc file with the figures and tables included, and edited approximately into the required format.
